

## INFORMATION SHEET - Academic Year 2018/2019

### ESTIMATE COST OF LIVING

#### International students

It is important that you understand the budget required, and are financially prepared for international full-time undergraduate study in President University. They must demonstrate financial proof that they have sufficient liquid assets to cover tuition and cost of living at least one year of study.

The annual cost below have been derived based on a conservative estimate for a reasonably comfortable lifestyle, excluding the vacation period. The actual amount could be higher or lower depending on each student's expenditure and lifestyle.

Anticipate that all costs related to study in President University will increase approximately average 2-5% every subsequent year.

NO	ITEMS	ESTIMATE COST [IDR]	ESTIMATE COST [USD]
