

DON'T JUST BE BETTER. BE EXCELLENT.

President University | Where tomorrow's leader come together

ICC, center for future-ready graduates.

President University offers internship and career programs for students to enhance their learning, gain work experience, and acquire industry knowledge and exposure in multi-cultural environments. As a student of President University, you can source for internships and career from a center for future-ready Graduates: ICC [Internship, Career Center]. Students will receive career mentorship, develop your intercultural competence and receive a guidance and placement.

ICC will provide experiential learning in workplace settings and allow students to hone the competencies so that students are exposed to job best practices and gain a foothold in the various industries.

The following list is a few multinational companies where President University graduates receive internship and job placement [since 2010-2016].
